Dear 6th grade class:

Thank you all very much for reading The Breadwinner and for taking the time to write to me. The projects your class did sound original and exciting. You really got inside the story.

I'm pleased to tell you that there are 3 other books in the series - Parvana's Journey, Mud City and My Name Is Parvana. A film has been made of The Breadwinner, and it will be released this fall, including in China, I think.

Parvana is an ordinary child who is forced to find courage inside herself in order to help her family. I am sure all of you would be just as brave as Parvana. We need to work together to create a world where children do not have to live ~~to~~ and die in war.

Thank you for working so hard at your studies, and thank you again for writing to me.

Best wishes -

Debnal Ellis
