I WELCOME TO SHANGHAI FRENCH SCHOOL

SHANGHAI FRENCH SCHOOL (known in French as Lycée Français de Shanghai, or LFS) belongs to the AEFÉ (Agency for French Teaching Abroad) network. It is an international non for profit school which welcomes students of 60 nationalities, from Pre-kindergarten to Grade 12 (from 2 to 18 years old) on its Qingpu and Yangpu campuses. Our unique international streams, with a strong focus on French, English or Chinese, and our program for non-French speakers, prepare our students to the International French Baccalaureate (with exams in foreign language), the taking of international language certifications.

ONE SCHOOL TWO CAMPUSES

Shanghai French School is the only French school to share two Eurocampuses with the German School. It is a real opportunity for our students to benefit from a unique multicultural environment in Shanghai! In Qingpu just like in Yangpu, our Eurocampuses offer infrastructures of quality for our students' development and wellbeing: sports centres, swimming pool, theater, libraries, international canteens, art centres. Together is better!

 Ensemble,
c'est mieux !
